Direction or Desire

After being denied entry into the Philippines over 18 months ago, God clearly led Patti and I to Fatherheart Ministries in East Texas. Patti is a full time volunteer running the mobile women's unit. The amount of ministry is amazing. It is obvious why God planted us here at this time. Marko is locally coaching, mentoring, and teaching. He is also running all the ministry in the Philippines.

When we heard the borders had opened up, our desire was to pack up and relocate right away. "Wait a minute (pondering)...it is obvious we were placed here in Texas."

Hmmm...we prayed about going back. After praying, we both separately got the direction of going to the Philippines for one month. "What?! That's not what we expected!" The Lord is full of surprises!

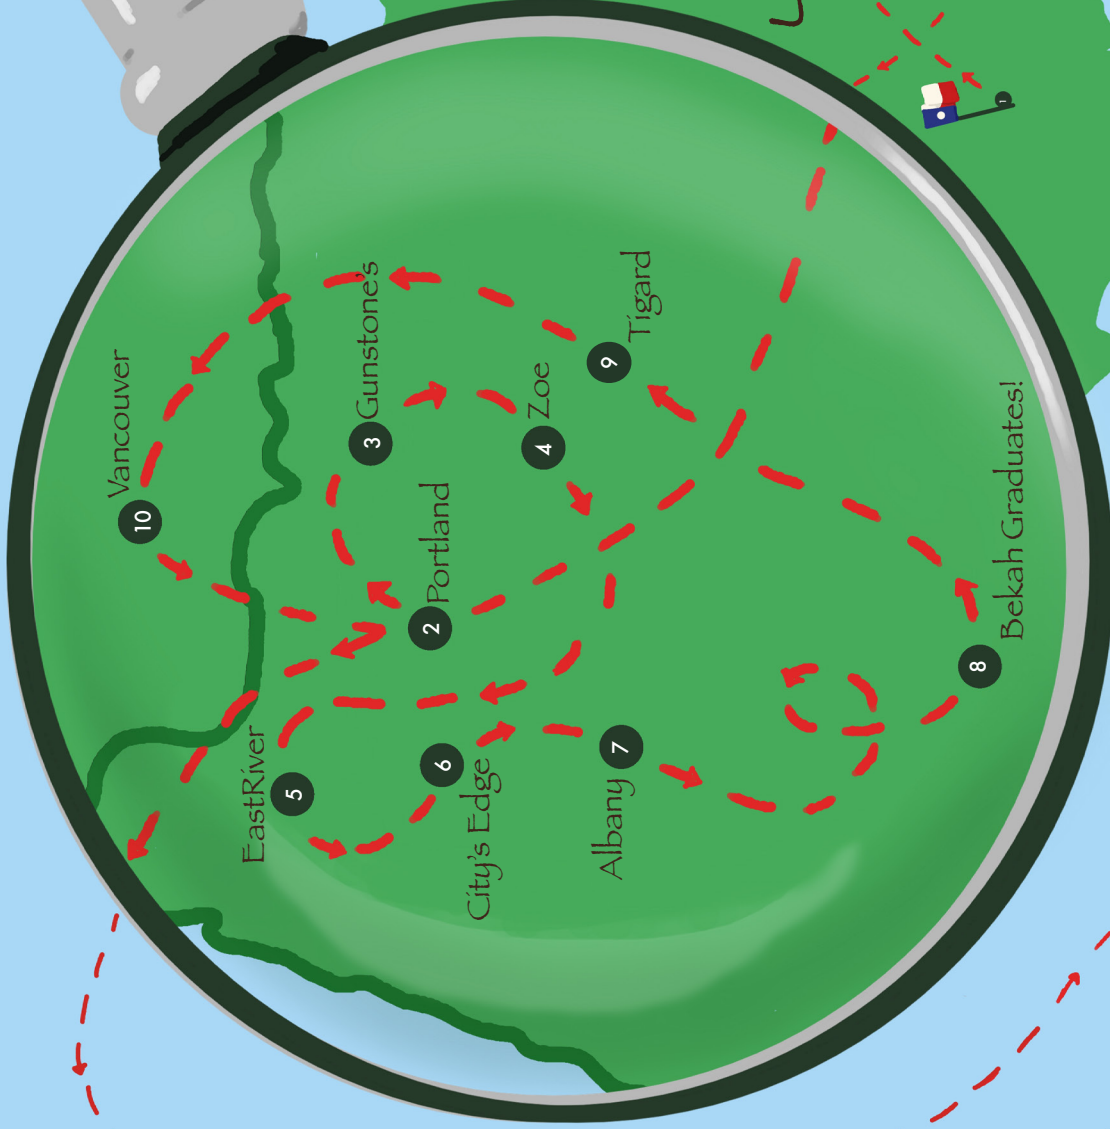

This is the new direction. We will continue to run two ministries both here in Texas and in the Philippines. It is not what we thought...but we are excited. Now it's full steam ahead!

We need lots of help to make it all happen. We are coming to Oregon for two weeks before we head to the Philippines for one month. There is lots to do and we cannot do it without you. Looking forward to seeing you!

Love you,
Marko & Patti
