25 YEARS OF ZOE

LOOK WHAT THE LORD HAS DONE

And then one day, I look up and it was 25 years...

In 1987, Patti and I first met because we wanted to do street evangelism. In the middle of sharing the love of Jesus we realized that this is what we wanted to do for the rest of our lives. . . together. Patti chose nursing and I chose teaching in order to reach people for God.

MANY YOUTH HEAR THE GOSPEL AND ARE BAPTISED AND DISCIPLED

THE BEGINNING

We got married in 1990, Marko worked as a youth pastor while Patti worked at a hospital in orthopedics. After four years we felt called to move to Texas and check out mission organizations. After some short mission trips to Mexico, we felt ready to go but it did not seem to be the right time.

In Texas Patti worked at a local hospital in labor and delivery, Marko taught at a Christian camp. As we starting training with Mercy Ships, we discovered Patti was pregnant with Bekah. We stopped. The pregnancy became complicated and she was hospitalized for four months. While in the hospital Patti filled out the paperwork for an our 501c3. And in 1999 Bekah was born . . . and so was Zoe International Ministries.

OVERSEAS MISSIONS

We left to go overseas with our four-year-old daughter and a passion to love people to Jesus no matter where we go. We did our YWAM DTS training in Trinidad/Tabago. There was lots to learn and apply. We did short missions from there to India, Suriname, and NYC. It's one thing to want to go, but it was a whole other world to walk it out. With the grace of God and patience of the YWAM staff, we graduated. In fact, we were asked to stay on as staff. We were there for three years total. From there we were led to the Philippines where we worked at a house for sexually abused girls. We were in the

years, went back to Oregon for three of Bekah's high school years. Patti helped pioneer a pregnancy mobile clinic in the NW. Marko volunteered at the high school and at the YMCA. After Bekah's graduation we were on our way to the Philippines when God directed us back to Texas. Patti has pioneered another mobile clinic and is the VOLUNTEER director. Marko is teaching at a Christian camp and at church. Every year we make it back to the Philippines where the programs and Bible studies we started still continue on to this day. Who would have thought that loving Jesus, and a desire to share Him would lead to all of this. He definitely gets all the credit and glory! Thank you for being a valuable part of Zoe!

MARKO IS NOW HEADED TO THE PHILIPPINES!!!

Pray for Marko as he travels for most of Feb until March 3.

If you want to help with some of the expenses of the trip, that would be great!!!

PRAY FOR PATTI AS SHE CONTINUES LEADING THE MOBILE WHILE MARKO IS AWAY
