**The Feeding**

One nutritious meal a day, six days a week. Our workers go to the market every day and buy fresh fruits and vegetables. They cook over an open fire. We feed an average 40-50 kids every day. Some of the kids that used to eat at our house when we first started the feeding are now sending their kids to eat at Subangan Cares.

2012-2024

**SC Workers**

We have five trained, disciplined, native, local staff who work at Subangan Cares, six days a week. They are a band of brothers going against the norm by following Jesus. They focus on caring for the kids, being a part of positive play and activities for ages 2-13. They are setting an example of how to win, lose, explore, and have fun while keeping a safe area for the children to enjoy.

**Bible Truths**

Every day before each meal a Bible story is presented and explored. Each staff member shares the truths of the story and how it personally applies to their life, then they challenge the students to apply the lesson learned to their lives as well. They compose scripture memory in songs (like Awana) in their local language.

**Kenney's Korner**

I, Marko, went on an unscheduled trip to the Philippines from 2-7-24 to 3-3. We had about eleven little problems that I needed to deal with. This ministry is vital to the area and we can not allow this to fail. All but two of the problems were solved! We are still looking for sponsors for our workers and prayer partners for the children. Do you want to help out in some way? Lets talk, call me 541-220-0771.

Marko 😊
