SUMMER 2024 US

Patti and I were in the NW and Mexico from June to July in 2024. We were so blessed to visit, speak, celebrate and serve at many congregations and homes. It never looks the same and it never will. From cleaning out church buildings, building new walls, trimming trees, speaking at life groups, youth groups, VBS, church services, meeting with pastors in NW and Mexico, and with dear friends and family that we have known our whole lives. What a blessing those six weeks were.

SUMMER 2024 PHIL

Landing In the Philippines started with visiting, Zoey, our new grandchild (from our foster daughter Naneth). Patti did medical ministries in the villages and in the mountains where she helped 37 patients in one day! We did repairs to the Subangan Cares play-ground, building swings and a new roof over part of the area to shield from sun and rain. Marko and the workers went up in the mountains and built a play ground for a church. We spoke at church, Bible studies, and youth groups. Marko also did an evangelistic basketball outreach to over 100 boys and men. We joined over 4500 missionaries gathering from all over the world in Manila, to get a vision and be encouraged. It was great!

SUMMER 2025 US

After 4 years of getting to serve the LORD in women's & children's ministries here in East Texas, LORD willing, we are leaving in June to begin the process of heading back overseas and serving in the Philippines indefinitely. We will first head to the midwest, then Arizona, California, then in August we will be in Oregon and Washington.

If you would like us to Speak-Teach-Preach-Help-Build-Visit-Celebrate or Encourage let us know. We want to be a part of your life and ministry. Let us know as soon as you can and we will get you on the calendar. If you want to call and talk, contact at Marko at 541-220-0771.

SUMMER 2025 PHIL

Our trip back to the Philippines, LORD willing, will begin in September. We will continue with the village ministries, outreach to the surrounding areas and mountains. Our heart is to start hosting groups for training in unity (team building) classes--- teams from other countries for short-term mission trips as well as interns. If you are interested in any of these please contact us. We want to have a place (housing) for discharged Nehemiah girls and the poor from our village to be discipled and go to college. We may be building or buying to make this happen.

WE CAN'T DO THIS WITHOUT YOU!!!

Together we can ...
 Be a part of your vision...be a part of our vision.
 You matter, we care about you. We want to stay connected.
